

## We're Looking for a Fundraising Manager to Join the TANF Ghana Team

### About TANF

The Anidaso Nsae Foundation (TANF), based in Accra, Ghana (West Africa), is making an impact by providing underprivileged children and families with access to free education and healthcare. At TANF our vision is to contribute to having an educated and healthy community, breaking free from the cycle of poverty.

### The Role

Interested in strategic fundraising for a good cause? Let's talk! We are looking for the right candidate to take on the role of Fundraising Manager to support our team by managing TANF's Fundraising strategy. You will manage a variety of fundraising platforms (e.g. Global Giving), leading partnerships with corporates and working on a variety of fundraising campaigns and events.

Role: Volunteer basis – Flexible support

Location: From home / Anywhere

Starting Date: ASAP

### Responsibilities

- Manage the fundraising strategy for 2017, detailing a clear fundraising plan for 2017
- Manage existing and define new strategic partnerships with individuals or corporate donors, other NGOs, charitable trusts and governmental institutions
- Select events with greatest exposure to new donors such as sport events, gala events or online communities to engage with

### Requirements

At TANF only three things matter to us when selecting new team members:

1. Passion for TANF's [mission & vision](#)
2. Dedication to contribute your time and make an impact
3. Past experience (personal or professional) and passion for fundraising
